## Parent/Child Workshop for Incoming Kindergartners Spring 2017

Cartwright School District is offering a workshop for all parents of pre-kindergarten age children. The workshop will provide parents with information and activities on preparing children for a successful school experience. Please bring your pre-kindergarten age child with you to the workshop. The children will participate in hands-on activities and receive an activity packet.

The workshops are scheduled at each elementary school in the District. We welcome children from ages 3 to 6 to attend the workshop. Please refer to the schedule below for the exact date and time of the workshop at your school.

If you have friends or neighbors with pre-kindergarten age children, please share this information with them. We have a wonderful event planned for you and your child. Please join us!

Some schools will also be conducting kindergarten registration for the 2017-2018 School Year in conjunction with the workshop. To register a child for kindergarten, you will need to bring the following documents with you. We will make copies of them and return the originals to you.
