**SUPERINTENDENT**  
Dr. Jacob A. Chávez

Welcome!

I am proud and overjoyed at the prospects for the coming school year. We will continue to use innovation to get our students to the next level. Our work this summer has been fruitful and we are proud to say that we've obtained many grants and partnered with various businesses to increase the use of technology in the classroom for the 2016-17 school year. Our Guaranteed and Viable Curriculum will ensure that each of our students obtain a world-class education.

Also, we've obtained a grant that has enabled us to re-open Byron A. Barry School. In collaboration with Greater Phoenix Urban League, we will provide pre-kinder and head start services at Barry. Children with and without special needs will be served.

We will continue to empower our families through the YOU: Your Child's First Teacher Parent Program and also via participation in the Citizen's Advisory Council. Please inquire at your school site should you wish to participate in either Parent Program.

Please remember that we have a School Based Health Clinic at Marc T. Atkinson Middle School. Please inquire at your school site should you wish to explore this opportunity for your family. We thank Mountain Park Health Care for their partnership.

We invite you to explore our new district office and school websites. You will find they've improved to serve the community. We welcome any and all visitors to our schools and district office.

Thank you for providing us the opportunity to educate your children. We are honored and look forward to the 2016-17 School Year.

## **VISITORS TO SCHOOLS**

**KI-R**

Parents are encouraged to visit the schools. All visitors to any school must report to the school office upon arrival. A visitor must sign in and a pass/badge will be issued after identification is verified.

**Classroom Visits:** It is preferred that the teacher and the principal be contacted in advance to arrange a day and time for such visit so as to avoid any conflicts with the school schedule.

Anyone who is not a student or staff member of the district schools, and is in violation of this policy, may be asked to leave the property of the district. Failure to comply with the lawful direction of district officials or district security officers or any other law enforcement officers acting in performance of their duties may be subject to criminal proceedings applicable under law.

## **PUBLIC CONDUCT ON SCHOOL PROPERTY**

**KFA**

No person shall engage in conduct that may cause interference with or disruption of an educational institution A.R.S. 13-2911. Interference with or disruption of an educational institution includes any act that might reasonably lead to the evacuation or closure of any property of the educational institution or the postponement, cancellation or suspension of any class or other school activity. For the purposes of this policy, an actual evacuation, closure, postponement, cancellation or suspension is not required for the act to be considered an interference or disruption.

A person commits interference with or disruption of an education institution by doing any of the following:

- Any conduct intended to obstruct, disrupt, or interfere with teaching, research, service, administrative or disciplinary functions or any activity sponsored or approved by the Board.
- Threatening to cause physical injury to any employee or student
- Verbal abuse or threat of harm to any person on property owned or controlled by the district or at supervised functions of the district.
- Use of language that is offensive or inappropriate to the limited forum of the public school educational environment.
- Threatening to cause damage to district, property of the district, or property of any person attending the district.
- Intentionally or knowingly entering or remaining on the property of the institution for the purpose of interfering with or denying lawful use of the property to others.
- Forceful or unauthorized entry to or occupation of district facilities, including both buildings and grounds.
- Intentionally or knowingly refusing to obey a lawful order given by the Superintendent or a person designated to maintain order.
- Any conduct constituting an infraction of any federal, state or city law or policy/regulation of the Board.

## **STUDENT PICK-UP AND DROP OFF RULES**

- Pick up and drop off in designated areas only

- Park in designated areas only
- Do not leave vehicle unattended unless parked in parking space
- Speed limit is 15 MPH in a school zone
- No parking or U-turns in school zones
- Do not park in school bus drop-off areas
- Do not park in fire lanes
- Do not double park
- Do not park in reserved parking spaces

## **EMERGENCY LOCKDOWN PROCEDURE**

Should an emergency or disaster situation arise in the area of a school or on campus while school is in session, the district has a plan to respond effectively to these situations. Your child's safety will be first priority. We ask parents cooperation with school staff during a lockdown situation.

If a school finds it necessary to go into a lockdown status, students will remain at school in a locked location until the threat of danger has been removed. If an emergency situation occurs during dismissal, parents should remain in their vehicles until the school environment is safe and the "all clear" has been signaled.

Fire and lockdown drills are required. The school principal and Risk Manager for the district will perform fire drills monthly and lockdown drills will be performed at least four (4) times during the school year. These drills help ensure that students, staff and others are familiar with procedures. In any necessary event students and staff will cooperate accordingly, quickly and efficiently for safety's sake. These drills will be held at both regular and inopportune times to prepare students and staff for most situations.

## **PARENT INVOLVEMENT - YOU: YOUR CHILD'S FIRST TEACHER**

The Cartwright School District #83 promotes the development of strong partnerships with our families. The District has adopted the YOU: Your Child's First Teacher program. We believe, and the program promotes that, by working together, parents and schools are able to promote the academic, physical health, social and emotional growth of students. We recognize that a student's education is a responsibility shared by the school, family and community. You: Your Child's First Teacher and our District's approach is that there is no one area of life that drives success all by itself. All of the areas listed below contribute to an individual's interest in learning and his/her ability to succeed in school and later, in life. This program is designed to approach the "whole child" as parents lay the strongest possible foundation for success.

- Academic Achievement
- Physical Health
- Social well-being
- Emotional well-being

## **COMMUNICATIONS WITH THE SCHOOL**

Effective communication between the school and parent/guardian is imperative. If a concern should arise, parents should contact the teacher as soon as possible. If the problem persists, or is not resolved, then a school administrator may be notified. Should a concern fail to find resolution at the building level, parents may direct their concern to the District Office, Administrative Services Department.

No profanity or other abusive language will be permitted or tolerated.

## **STUDENT ADMISSIONS/ADMISSION OF JF/JFAA/JFAB RESIDENT STUDENTS/ADMISSION OF NON-RESIDENT STUDENTS**

---

The person enrolling a student (except homeless students) in the school will be asked to produce:

- A certified copy of the child's birth certificate.
- Other reliable proof of the student's identity and age, including the student's baptismal certificate, an application for a Social Security number, or original school registration records, and an affidavit explaining the inability to provide a copy of the birth certificate.
- A letter from the authorized representative of an agency having custody of the student (pursuant to statute) certifying that the student has been placed in the custody of the agency as prescribed by law.
- Immunization records.
- One proof of residency- (landlord-tenant agreement, rent or lease receipts and receipts for utility payments, including gas, water, or electric bill).
- Last report card or withdrawal slip, if new to the Cartwright School District.

**Parent/legal guardian(s) that maintains his or her own residence:** must provide proof of one (1) of the following documents, which bear the parent or legal guardian's full name and residential address or physical description of the property where the student resides (no P.O. Boxes):

- Valid Arizona driver's license, Arizona identification card
- Utility bill (water, electric, gas, cable, phone)

**Parent/legal guardian(s) that does not maintain his or her own residence:** Parent or legal guardian must complete and sign a form indicating his or her name, the name of the school district, school site, in which the student is being enrolled, and submit a signed, notarized affidavit bearing the name and address of the person who maintains the residence where the student lives attesting to the fact that the student resides at that address, along with a document from the bulleted list above bearing the name and address of the person who maintains the residence.

## **PARENT RIGHTS/CHILD CUSTODY/FERPA**

---

In most cases, when parents are divorced, both mother and father continue to have equal rights to their children. If you have a court order that limits the rights of one parent in matters such as custody or visitation, please furnish a current copy to the school office. Equal rights must be provided to both parents unless a current court order stating otherwise in the school file at the school office.

## **ENTRANCE AGE REQUIREMENTS**

**JEB**

Kindergarten and First Grade:

For admission to kindergarten, children must be five (5) years of age prior to September 1 of the current year.

Children may be admitted to first grade who are six (6) years of age or shall be deemed six (6) years of age if they reach such age prior to September 1 of the current school year.

## **STUDENT ATTENDANCE/ABSENCES/EXCUSES**

**JE/JEA /JH**

The parent or guardian is charged by law with responsibility for the student's consistent school attendance.

It is unlawful for any child who is at least six (6) but not yet sixteen (16) years of age to fail to attend school during the hours that school is in session, unless such child is excused pursuant to A.R.S 15-802.

**Absences:** Please call the school office each day your child is absent within 30 minutes of the school starting time. If phone contact is not made, a note must be sent to the school on the morning of the student's return. The note should include the child's name, date of absence, reason for the absence, and parent/guardian's signature.

Absences will be excused only for necessary and important reasons. Such reasons include:

### **Excused Absences**

- Death in family
- Doctor's appointment
- Court appearance for the child
- Illness
- Religious holidays (as define by the parent)
- Lack of immunizations- 5 days only
- Lice-3 days only
- Vacation- 3 days only

### **Unexcused Absences**

- Caring for siblings
- Failure to call the school
- Missed bus
- Lack of immunizations-more than 5 days

- Lice-more than 3 days

Any absence not listed above will be determined by the school administration as to whether the absence is excused or unexcused. Absence history may be taken into account.

**Absences without Parent Contact:** Any time a student is absent and there is no contact with the parent/guardian during a ten (10) consecutive-day period, the student will be dropped by school site personnel.

**Absences with Parent Contact:** Any time a student is absent over ten (10) consecutive days and the parent/guardian has called in to excuse the child, the site administrator or designee will contact the parent/guardian to discuss the reasons for the absences.

The principal or school designee may require documentation from a doctor, nurse or other medical personnel to verify a medical condition.

**Other options available:**

- Counseling
- Evaluation for special education or Section 504
- Homebound instruction
- Referral to juvenile authorities
- Parent/teacher/administrator conference

Finally, if there is an error in attendance, we ask parents to bring it to the schools attention as soon as possible. We cannot change an attendance record more than three (3) weeks back.

Students have the responsibility to make up all class work missed because of an absence.

**AUTO DIALER**

---

Schools and district office may use an auto dialer system to call and notify parents of student absences, school events, early release days, changes to school schedule, school lock-downs and other emergencies. Please be sure to update your contact information if you have any changes during the school year. Notify your school office as soon as possible.

**TRUANCY**

**JHB-R**

Truancy is the unexcused absence of a day or any part of a day by a student.

Habitual truancy is five (5) consecutive days of unexcused absence or ten (10) nonconsecutive days of unexcused absence within a 30 school-day period.

When a student has five or more unexcused absences or 18 excessive absences (excused or unexcused), according to A.R.S. 15-802 B.1, the student can be cited to the CUTS Program

### **Court Unified Truancy Suppression Program (CUTS)**

The CUTS program, administered by the Division of Community Services under the direction of the Maricopa County Juvenile Probation Department, is a diversion program designed for juveniles who commit a first or second truancy offense and are willing to take responsibility for their behavior. The goal of the program is to increase school attendance.

The probation officer, with the help of school officials and parents, decides the consequences for the truant student. All consequences must be completed within 30 days following the CUTS meeting. Failure to comply with these sanctions results in the case being set for a court hearing in Juvenile Court.

### **STUDENT DRESS**

**JICA**

Personal appearance is important. A good appearance can promote success in school and life. Students are to wear the appropriate uniform dress attire during the school day and at school sponsored activities. Students are to be dressed and groomed in a manner that reflects school as a place of learning.

**Uniforms:** a mandatory uniform dress code has been established for all schools to promote learning, increase safety on school grounds, foster unity, and minimize clothing expenses. The minimum dress code standard is white and navy blue collared shirts and navy bottoms.

- **Tops:** All shirts must have collars no logos, no stripes or designs. Please check with your school for the colors that are allowed. If your child(ren) transfer to a school within our district, they may wear the shirts approved at the previous school at the new school or be given the opportunity to exchange the shirt(s) for the color worn at the new school.
- **Bottoms:** Pants, shorts, jumpers, skirts, or skorts (no stripes or designs). Please check with your school for the colors that are allowed.

No student shall be denied enrollment the day they enroll due to not having the required uniform attire. A grace period of 15 days will be given for parents to purchase uniforms. Seek assistance from your school or the Family Welcome Center for assistance with uniforms.

District Policy prohibits school dress or grooming practices that:

- Present a hazard to the health or safety of the student or to others in the school.
- Materially interfere with schoolwork, create disorder, or disrupt the education program.
- Cause excessive wear or damage to school property
- Prevent students from achieving their educational objectives

- Represent membership or affiliation with a gang or crew
- Display obscene language or symbols, or symbols of sex, drugs, tobacco products or alcohol
- Expose the chest, abdomen, genitals or buttocks area of the body.

Students in violation of the dress code will be required to change clothes and/or face disciplinary action.

## **IMMUNIZATION OF STUDENTS**

**JLCB**

All children must have proof of immunizations and be up to date with any required immunizations as per Arizona Revised Statutes in order to enroll in school. Any questions regarding immunizations may be directed to your school nurse, doctor or local health department (602) 506-6767.

A.R.S. 15-872 - A pupil shall not be allowed to attend school without submitting documentary proof to the school administrator unless the pupil is exempted from immunization pursuant to section 15-873.

A.R.S. 15-873 - The parent or guardian of the pupil submits a signed statement to the school administrator stating that the parent or guardian has received information about immunizations provided by the department of health services and understands the risks and benefits of immunizations and the potential risks of non immunization and that due to personal beliefs, the parent or guardian does not consent to the immunization of the pupil.

## **STUDENT HEALTH SERVICES AND REQUIREMENTS**

**School Based Health Clinic:** is located at Marc T Atkinson Middle School, next to the Family Welcome Center. Limited primary and preventative medical and dental services are provided by a Nurse Practitioner. This service is provided to students without insurance and AHCCCS. Please contact your school nurse for further information.

**Health Screenings:** Periodically throughout the year, all students participate in health screenings for hearing and vision. These screenings are done on a mass-screening basis with volunteers. These screenings should not take the place of recommended medical screenings and exams. Any concerns about your child as a result of health screenings will be communicated to you in writing by the health office as a "referral". If you do not want your child to participate in health screenings, please notify the school health office in writing.

**Food/Milk Allergy:** Food allergies can cause discomfort and may even be life threatening. If your child has a food allergy or medical problem, please discuss it with your school nurse. Children who are allergic to milk may obtain a substitute beverage after providing the school with a written note from the doctor. This must be renewed annually.

**Student Injuries:** occasionally there are accidents at school or on other school sponsored activities where students may be injured. All medical costs

will be the responsibility of the parents of the student. The district does not cover medical expenses such as transportation to the hospital.

## **Bed Bugs**

---

If a case happens at your child's school, the following protocol will take place:

- Student will be discreetly removed from the classroom
- School Nurse and/or Principal will check clothing and belongings for bed bugs
- School Nurse and/or Principal will contact parent/guardian
- Parent/guardian will be asked to have the home treated for bed bugs. A notification letter from the pest control company should be brought to the School Principal and/or Nurse
- Student will continue to be checked by the School Nurse and/or Principal daily for bed bugs until no evidence of bed bug infestation is present ie., bites, welts etc.

For additional information, please contact the Arizona Department of Health Services Bureau of Epidemiology & Disease Control.

## **Making Proud Choices:**

---

Cartwright School District #83 is implementing the Making Proud Choices! curriculum, for students in 8<sup>th</sup> grade. Making Proud Choices! is an evidence-based sexual health curriculum designed to help teens understand behaviors that put them at risk for pregnancy, HIV and other STD's, and to empower teens to reduce this risk through healthy decision-making.

## **ADMINISTERING MEDICINES TO STUDENTS**

---

**JLCD**

The District does not allow self-administration of prescription and over-the-counter drugs.

Under certain circumstances, when it is necessary for a student to take medicine during school hours, the district will cooperate with the family physician and the parents if the following requirements are met:

- There must be a written order from the physician stating the name of the medicine, the dosage, and the time it is to be given

- A parent picking up a student during the school day, for any reason, is required to come in the office and sign the student out. Students will be called to the office and released to the adult only after proper identification has been established.
- When returning to school within the same day, either the student or parent is to report to the office and sign in.

Your cooperation in this process ensures the safety of your child and is greatly appreciated.

## **STUDENT CONDUCT**

**JIC**

The philosophy behind any discipline program is that a teacher has the right to teach, and students have a right to learn. If a student chooses to disrupt the classroom and prevent the teacher from teaching, or other students from learning, then that student should accept the consequences for that behavior.

Each classroom, and perhaps other areas in the school, will have specific rules posted that are appropriate for the area.

The classroom management programs used by teachers will set behavioral limits, provide reinforcement for good behavior and provide consequences for inappropriate behavior. Parent/teacher cooperation is a key factor to the success of any classroom management program.

The district has developed a plan to deal with disciplinary problems in a systematic way. It is built in levels that reflect the severity of the offense and the possible interventions and consequences that could occur. Please see pages 25-27 for more specific information.

**Tobacco or other illegal contraband:** Use, possession, distribution, or sale is not allowed on district property, parking lots, school buses or at district/school sponsored events on or off campus.

### **ELECTRONIC DEVICES:**

At no time are electronic devices allowed to be used on a bus. If they are on and make a noise or vibrate or otherwise call attention to themselves when not in use for instructional purposes, the device is creating a disruption. These items must be in the off position and kept out of sight during the instructional day.

Misuse of devices may result in discipline procedures in addition to confiscation of device. Electronic devices will only be released to a parent/guardian if confiscated.

Students/Parents should understand that bringing an electronic device on campus is at their own risk. The district does not assume liability for the loss, theft, or damage of any personally owned electronic device.

### **USE OF TECHNOLOGY**

**IJNDB**

The District believes that through use of technology, students, teachers and other users will encounter vast, diverse, and unique resources. The district's goal in providing these resources is to promote educational excellence in our schools by facilitating resources sharing, innovation and communication.

All District internet users are required to sign the Student and Parent Electronic Information Services Agreement and to abide by the terms and conditions set for in the Governing Board Policy and corresponding regulations.

Safe schools are a priority to the district. Safety and security are the essential elements of an effective learning environment and central to student achievement and academic success. Clear and consistent expectations for appropriate behavior contribute to a peaceful, caring student culture and help establish a safe learning environment. Students need to be held accountable for misconduct, especially behaviors that threaten the safety and security of students and staff members.

Consistent with A.R.S. § 15-841 (H), a student who is determined by the administration to have threatened an educational institution shall be recommended to the Governing Board for expulsion for at least one (1) year except that the administration may modify this expulsion recommendation requirement for a student on a case-by-case basis, in the sole discretion of the administration, if the student agrees to participate in the mediation, community service, restitution, or other program(s) established by the administration in which the student takes responsibility for the threat and for the results of the threat. In lieu of an expulsion recommendation, the administration may reassign a student who is subject to expulsion to an alternative education program if the student agrees to participate in mediation, community service, restitution, and/or other program(s) established by the administration in which the parent or guardian takes responsibility with the student for the threat and the result of the threat. ## **SPECIAL INSTRUCTIONAL PROGRAMS**

**IHB**

**Child Find:** Cartwright School District 83 offers comprehensive special education services to eligible students ages three (3) through 21 years and to children from birth through age 21 years who have a suspected disability. Children from birth to age three with other disabilities will be referred to appropriate agencies for services. All referrals are considered confidential, and services are provided at no cost. The parent/legal guardian, or surrogate parent retains the right to refuse services and are provided other procedural safeguards under federal and state law.

A full individual evaluation encompassing existing and additional data shall be conducted for each child to determine if the child is a child with a disability and the educational needs of the child before the initial provision of special education and related services. A re-evaluation of each child shall be conducted at least every third year.

## **SPECIAL INSTRUCTIONAL PROGRAMS AND ACCOMODATIONS FOR DISABLED STUDENTS**

**IHBA**

**Section 504** – Rehabilitation Act of 1973: It is the responsibility of the district to identify and evaluate students who, within the intent of Section 504 of the Rehabilitation Act of 1973, need special services or programs so that students may receive the required free appropriate education.

For this policy, a student who may need special services or programs within the intent of Section 504 is one who:

- Has a physical or mental impairment that substantially limits one (1) or more major life activities, including learning; or
- Has a record of such impairment; or
- Is regarded as having such impairment

Students may be eligible for services under the provision of this section even though they do not require services pursuant to the Individuals with Disabilities in Education Act (IDEA). Students who are identified as individuals with exceptional needs, according to IDEA criteria, are not addressed under this policy. The needs of such students are provided for under Policy IHB – Special Instructional Programs, and its regulations and under state and federal laws and regulations.

## **ENGLISH LANGUGE EDUCATION**

Cartwright School District 83 believes all students have a right to the opportunity of developing a full command of the English language. English Language Learners (ELL) shall be educated through Structured English Immersion (SEI).

## **Structured English Immersion (SEI)**

SEI is an English language acquisition process for children in which all classroom instruction is in English but with the curriculum and presentation designed for children who are learning the language. Books and instructional materials are in English and the class is taught in English as per A.R.S. 17-751 and 15-756.01 for a minimum of four (4) hours a day.

The goal of the program is to prepare English Language Learners to learn in English, develop the ability to speak, read and write in English. Students in this program will be expected to achieve at or above grade level in all academic areas. Instruction will be provided by a teacher trained in SEI, bilingual education or English as a Second Language (ESL) endorsed teacher.

### **Student Placement:**

The Every Student Succeeds Act (ESSA) of 2015 reauthorizes the 50-year old Elementary and Secondary Education Act (ESEA), the nations national education law and longstanding commitment to equal opportunity for all students. A previous version of the law, the No Child Left Behind (NCLB) Act was enacted in 2002. NCLB mandated an annual assessment of English proficiency of all students with limited English proficiency in schools served by the State educational agency.

The Arizona English Language Learners Assessment (AZELLA) assesses English language proficiency in areas such as:

- Listening, writing conventions and reading using multiple-choice items
- Writing, using an open-ended direct writing assessment and
- Speaking using a performance test

Program Reclassification: Once an ELL student meets the program exit criteria, the student may be reclassified as Fluent English Proficient (FEP) and transferred to an English language mainstream classrooms. Parents will be notified when their child has been reclassified as FEP. Reclassified students will be evaluated for two (2) years on their academic performance.

## **PROMOTION AND RETENTION OF STUDENTS**

## **IKE & IKE-RA**

Year to year promotion of a student in grades one (1) through eight (8) will be based upon standards for each basic subject are as identified in the course of study. The district standards that students must achieve shall include accomplishment of the standards in reading, written communication, mathematics, science and social studies adopted by the State Board of Education.

Promotion of a student from grade three (3) shall be conditioned on the satisfaction for the applicable competency requirements prescribed by A.R.S. 15-701 Move on When Reading (MOWR) and depicted in Policy Regulation IKE-RB. A.R.S. 15-701 requires schools to retain 3<sup>rd</sup> grade students who attain a "falls far below" designation on the 3<sup>rd</sup> grade state reading assessment. The law provides exemptions to certain circumstances:

- Students who have disabilities in reading or language
- English Language learners or Limited English Proficient students who have received less than two (2) years of English instruction.

In addition to these standards, test scores, grades, teacher-principal recommendations, and other pertinent data will be used to determine promotion.

Retention of a student is a process. When circumstances indicate that retention is in the best interest of the student, the student will have individual consideration, and decisions will be made only after a careful study of facts relating to all phases of the student's growth and development.

**Special Education:** Students who do not meet regular promotion requirements must meet the course of study and promotion requirements for special education under the guidance of A.A.C. R7-2-401. The programs for such student may include adaptations.

Students placed in special education programs will complete the course of study as prescribed in their individual promotion plans and implemented through their Individual Education Program (IEP).

**Procedure for Retention:** At the earliest parent conference if not sooner, this information must be shared with the parents and recorded in the student's cumulative folder. Parent conferences will be held to inform parents of the concern and to involve them in the process. Teacher and parent will discuss ways to assist the student attaining expected achievement levels. No decision for retention shall be made without parent involvement and student counseling. The final recommendation to retain should be made by the teacher.

**Appeal of Decision to Promote, Retain, Pass or Fail a Pupil:** Pursuant to Arizona Revised Statutes, a parent or student may appeal to the Board for reconsideration on any placement decision. The parent or student has the burden of proof to overturn the decision of the teacher to promote, retain, pass or fail the pupil.

## **PARTICIPATION IN EIGHTH GRADE PROMOTION CEREMONY AND ACTIVITIES**

---

All activities are a privilege and may be revoked for students whose behaviors are disruptive to the educational process or the activity itself. Attendance will also be a consideration.

- Students must be passing all classes with a 60% or better.
- All outstanding obligations should be paid or a student will not receive tickets for the ceremony. This includes but is not limited to textbooks, library books, athletic uniforms, cafeteria money and/or fees to cover lost or damaged books.

- Students are encouraged to dress appropriately for all promotion activities. Semi-formal outfits are not expected or encouraged. Student's safety is first.
- If you are not certain if the outfit is appropriate, please check with the administration. Any student not dressed appropriately at promotion will be expected to change their attire in order to participate.

Student's who are not permitted to participate in the promotion ceremony may pick-up their promotion certificate in the school office. Please be aware that we do not keep copies of promotion certificates.

## **STUDENT CONCERNS, COMPLAINTS AND GRIEVANCES JII**

Students may present a complaint or grievance regarding a violation of the student's constitutional rights, denial of an equal opportunity to participate in any program or activity for which the student qualifies not related to the student's individual capabilities. Discriminatory treatment on the basis of race, color, religion, sex, age, national origin, or disability. Concern for the student's personal safety.

The accusation must be made within thirty(30) calendar days of the time the student knew or should have known that there were grounds for the complaint or grievance. The initial complaint or grievance should be made using form JII-EA; however a verbal complaint or grievances may be made to any school staff member. The receiving staff member shall immediately inform an administrator of the complaint or grievance.

Middle school students shall file complaints on their own behalf. A parent or guardian may initiate a complaint process on behalf of an elementary school student.

## **PUBLIC CONCERNS AND COMPLAINTS KE-R**

When a complaint is made, it will be referred to the school administration for study and resolution if possible. The administration will courteously receive complaints using form KE-E and will take steps to make proper replies to complainants.

The following procedures are intended to assist in its resolution:

1. If the matter relates to a student, and it is appropriate, talk with the student's teacher first.
2. If a resolution cannot be accomplished at the school level, either party may refer the matter to the Assistant Superintendent for Administrative Services.
3. When a complaint is made directly to the Board as a whole or to a board member as an individual, it will be redirected to the school administration for study and resolution if possible.

All concerns/complaints shall be reported on form KE-E. Forms are available in the school office and in the forms section of this handbook.

**Directory Information:** Under the Family Educational Rights and Privacy Act (FERPA), a student's name, address, telephone number, date and place of birth, e-mail, grade level, dates of attendance etc., is considered "directory information" and may be released to anyone, including the media, colleges and universities, and the military without your prior written consent.

If you do not want any or all "directory information" about your son/daughter to be released to any person or organization without your prior signed and dated written consent, you must notify the district in writing. Forms JR-EB are available at your school and in this handbook should you wish to not share information about your son/daughter.
